

Confidentiality, Non-disclosure and Conflict of Interest Agreement

Judges, business mentors and organisers of the 2016 ANZ Sunraysia Daily Mildura Innovation Awards agree to and sign this confidentiality agreement.

Re: CONFIDENTIALITY, NON-DISCLOSURE AND CONFLICT OF INTEREST AGREEMENT

I would like to participate in and be supportive of the 2016 ANZ Sunraysia Daily Mildura Innovation Awards (the "Awards").

The 2016 ANZ Sunraysia Daily Mildura Innovation Awards is a project of Mildura Development Corporation.

I understand that in the course of my participation in the Awards I may have access to information from participants (collectively, "Entries"). These Entries may contain the ideas, innovations, inventions and concepts (collectively "Innovation or Ideas") of participants in the Awards.

I understand that all intellectual and other property rights of all participants will remain unaltered as a result of entering the Awards. I also understand that some of these Innovation or Ideas may constitute trade secrets and that participants may not have yet taken appropriate steps to patent, copyright or otherwise protect their Innovations or Ideas. In consideration of my participation in the Awards, I agree for the benefit of Mildura Development Corporation, Mildura Innovation Awards and the individual participants involved in the Awards, that only I will review the Entries submitted to the Awards and that I will take all reasonable effort to hold the Innovation or Ideas which I may receive in the course of the Awards in strict confidence and will not copy, reveal, or disclose such Innovation or Ideas to others and that I will not use any such Innovation or Ideas for my own benefit or the benefit of any organisation with which I am affiliated.

The above restrictions shall not apply to any Innovation or Idea which is in the public domain at the time of disclosure or becomes publicly known through no wrongful act of mine, is known to me at the time of disclosure or is independently developed by me, is used or disclosed with the approval of the contestants involved, is furnished to a third party without similar restrictions on the third party's rights, is received by me from a third party who has a lawful right to disclose it to me, or is disclosed pursuant to the requirement or request of a government agency.

The above restrictions will apply during the time that the Awards is occurring and for a period of twelve (12) months after the winners are publicly announced. I am pleased to support the 2016 Mildura Innovation Awards and during my involvement with it I agree to abide by such other rules and guidelines that Mildura Development Corporation may reasonably impose.

With regards to conflict of interest, I declare that in the event of any potential conflict of interest arising from a business or social relationship with any participant, I will immediately declare the potential conflict to the Mildura Innovation Awards Project Manager in writing.
